Summer Holidays**

**Summer 2009**

The Play Around Alnwick District programme is coming to you. The P.A.A.D scheme offers outdoor play opportunities and supports the 3 free's. The 3 free's is a Nationwide Big Lottery initiative to offer children play opportunities that are...

- Free at the point of access.
- Free for children to do what they want when they get there.
- Free for children to come and go as they please.

The scheme is open access to anyone from 3 to 18 years old. Parents and carers are welcome too. All activities will be outdoors come rain or shine so bring warm clothes, wellies and waterproofs or sunscreen and sunhat. Sessions are free and supervised by Kate Hunter, Community Play Officer for Alnwick. Please note places are limited and will be allocated on first come first served basis.
