INTRODUCTION

WELCOME TO THE NORTH EAST COURSE FINDER DIRECTORY. HERE YOU WILL FIND DETAILS OF MANY OF THE COURSES AND WORKSHOPS THAT ARE TAKING PLACE ACROSS THE REGION.

All the courses listed in this booklet are now on the new booking website

www.necoursefinder.org

including a brief course description. From the website you can book and pay for many of the courses or follow links to the organisers' websites and booking forms.

For further information about any of the courses, you can contact the relevant organiser directly using the details stated in this booklet.

The programme is a result of the four County Sports Partnerships and their partners working together to identify the needs of the sport and physical activity workforce across the North East.

The four North East County Sports Partnerships offer a variety of support services for clubs, coaches and volunteers, for example Tees Valley Sport has a Club Benefits Package that offers free places on generic courses to club members. To find out more about the support available in your sub region please contact the relevant organisation listed opposite.
